

Walter Moore For Mayor

City Of Los Angeles - March 3, 2009

Moore, Not More Of The Same

Mayor Antonio Villaraigosa must go. Walter Moore is the right man to replace him.

Find out why your fellow citizens have already contributed over \$106,000 to Moore's campaign.

L.A. used to be a great place to live and do business. Now it's a Third World disaster. But we can fix that.

Villaraigosa insists on making L.A. a "sanctuary city" for *all* illegal aliens, *including gang members who are in this country illegally.*

Moore wrote Jamiel's Law, which would deny "sanctuary city" protection to gang members. And Moore would end all "sanctuary city" policies immediately on his first day in office. City Hall should not aid and abet illegal immigration

Villaraigosa keeps raising your taxes and fees, but instead of using your money to pay for police or help the truly needy, he gives hundreds of millions to developers -- even the Royal Family of Dubai -- to subsidize construction that ruins *your* quality of life. Moore would protect the interests of L.A.'s hard-working, middle-class, taxpaying citizens -- not sell us out to millionaire special interest contributors who don't even live in our city *Our* city government should improve *our* quality of life.

Walter Moore is a business trial lawyer with over 20 years' experience, and a licensed real estate broker. He graduated with honors from Princeton and Georgetown Law, and has a degree in Public and International Affairs.

Visit Walter Moore's website, and, if you like what you see, help spread the word -- like the volunteer who gave you this flyer.

You don't need to move away. You just need a better Mayor.
